Where will I find the water meter, the meter number and the meter reading?

- The most common locations for a water meter are: the cellar, the hallway, the garage, a meter cabinet, a meter pit.
- The meter number is shown on the water meter. More info at www.farys.be/waar-vind-ik-het-meternummer.
- The meter reading consists of a black/white and a red/white series of figures. Fill in only the black/white figures. If you have difficulty taking the meter reading, please call us on 078 35 35 99.
